Guide: How to download transaction history from Scottrade

- 1) Login to your Scottrade account at www.scottrade.com
- 2) From the Home page, on the top menu bar, hover over "My Account". When the drop-down menu appears, click on "Transaction History"

Statements & History

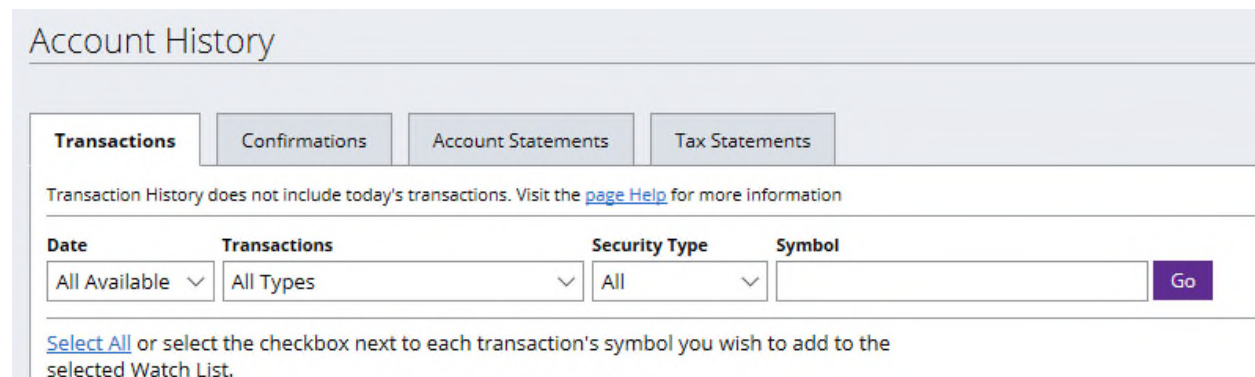

[Account Statements](#)

[Transaction History](#)

[Confirmations](#)

[Tax Statements](#)

- 3) In the Date drop-down box, select "All Available" (or "Select Dates" if you wish to use a custom date range instead). Make sure Transactions is set to "All Types", Security Type is set to "All" and Symbol is blank. Click Go.

Account History

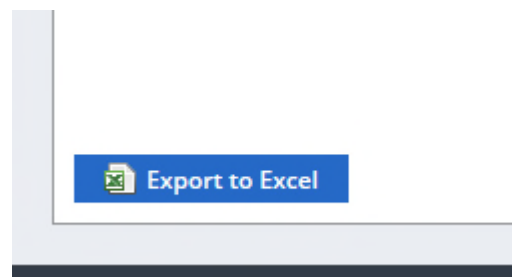

Transactions Confirmations Account Statements Tax Statements

Transaction History does not include today's transactions. Visit the [page Help](#) for more information

Date	Transactions	Security Type	Symbol	
All Available ▾	All Types ▾	All ▾		Go

[Select All](#) or select the checkbox next to each transaction's symbol you wish to add to the selected Watch List.

- 4) The page will refresh, showing all transactions in the account history for the dates specified.
- 5) Scroll to the bottom of the transaction list. Click the "Export to Excel" button.

6) Scottrade will generate a CSV file which will download to your PC. Its name will begin with "Transactions". Send this file to shaun@torpedotrading.com and I will proceed with the trade analytics.
